Miscellaneous Provisions

As an extension to this contract, the Contractor may be asked to carry out additional works of the type covered by this contract throughout the course of this contract. The scope of such works may also include repairs needed at the play area/ recreation ground. Extra works will be based on the hourly rate quoted by the Contractor. Quotes for such extra works are to be agreed by the Council in advance of works being done. There is no guarantee of extra works being awarded and the Council reserves the right to pursue alternative quotations for extra works, where it deems this to be necessary. In the event of works needing to be done urgently for safety reasons up to £250, e.g, unsafe play equipment, the Contractor must first contact the Parish Clerk who, in consultation with the Chairman, will then decide whether to invoke procedures for ordering emergency works as set out in Financial Regulations.

Extra Works within the Remit of the Contract

1. Play area matting to be cleaned at least annually
2. Trees at Harley junction with A458 to be pruned at least annually

3. The Contractor must hold and be able to provide copies of appropriate waste licenses for the works specified (lower tier license is the minimum requirement) and provide information regarding the waste pathway
4. Weedkiller used must be environmentally friendly and safe to animals and children, and the Contractor and employees must have been trained how to safely apply it.
5. Annually, the Contractor must provide proof for their insurance in respect of Public Liability, and this must be a minimum of £10 Million.
6. The Contractor (or staff) must not carry out cutting/stripping/weed killing near to areas where people are present at the time.
7. Work is to be carried out on weekdays only. No power-driven machinery to be operated before 8.30am or after 6pm.
8. Except in adverse weather conditions, cutting is to be completed in a continuous operation. All litter, debris and cuttings are to be removed at the end of each day after work has been carried out.
9. Before commencing any cutting, the Contractor is asked to remove any litter from the area to be cut.
10. The Contractor is required to adopt safe working practices in order to protect the health and safety of themselves and their employees. They must provide a risk assessment of the activities and a method statement, to be agreed by the Council. The Contractor must immediately report any incidents to the Council.
11. Payment will be made in accordance with the agreed contract rates in equal monthly instalments one month in arrears by no later than the end of the calendar month. The contractor is to provide monthly invoices and provide timesheets as requested.
12. The Contractor shall inform the Parish Clerk immediately, should he become unable to fulfil any of the conditions of the contract.
13. The Council reserves the right to amend the contract specification during the course of the contract with the agreement of the Contractor. Rates payable would be adjusted accordingly in this instance.
14. The Contractor will provide itemised lists of work undertaken in support of any invoices.
15. This Contract may be terminated by either party given 3 months' notice at any time during the term of the contract.
16. The Contractor consents that, for the purposes of quoting for and executing this contract, their data will be held and processed in accordance with the Council's adopted Privacy Policy and association policies and procedures.
17. Tick sheets are to be completed as requested.

Cressage, Harley & Sheinton Parish Council will not, under any circumstances, be liable to the Contractor or any employee of the Contractor, for any loss, damage, or injury, however caused or arising, out of, or in the course of, or in connection with the carrying out of this contract.

Agreed contract rates - it is anticipated that costs will rise and that the Contractor may propose to increase prices year on year by 3%.
